

**APPLICATION FOR ENTRANCE
BARTON COUNTY ROAD AND BRIDGE**

As authorized by the County Engineer
2401 7th Street, Great Bend, Kansas 67530
620-793-1816 Fax 620-793-1938

Date: _____

I, the undersigned owner of the described property, located at:

Quarter _____ Section _____ TWP _____ Range _____
County Road Number _____

Entrance is required on the above described premises for the following reasons:

Required Information:

Entrance Width: _____

Culvert and Ditch Flowline Elevations: _____

The undersigned hereby certifies that the information given herein is correct. Additionally, the undersigned is advised of:

- *In the event an entrance is needed due to the construction of a ditch, the cost of installation of the entrance shall be borne by a local government unit. The County shall pay for such improvement on County roads and the Township on Township roads.*
- *When an entrance is installed at the request of the property owner, the cost will be borne by the property owner. Additional, the County may require a deposit prior to work beginning.*
- *The property owner may install an entrance, provided that plans are first approved and permission given by the County Engineer. Such installation will be subject to and completed under the supervision of the County Engineer.*
- *It is a public offense to install an entrance or culvert across any ditch along a public road without the approval of the County Engineer. Persons in violation, upon conviction, maybe subject to a fine.*
