Golden Belt Memorial Park, Veterans' Memorial

A joint project of the Barton County Memorial Parks Advisory Committee,
the Barton County Commission and the public

Barton County has established a Veterans' Memorial at the Golden Belt Memorial Park, located north of Great Bend, Kansas. Plans include three grey granite monuments sitting on a concrete base. Affixed to the north face of the center monument are the United States Army, Marine Corps, Navy, Coast Guard, Air Force and Merchant Marines insignias. The next phase of the project includes two additional monuments that will be engraved with the names of local veterans. Engravings information available at the Barton County Administrator's Office. Local veterans' groups are participating in fund raising, which will be used for expansion and maintenance.

*A nation which forgets its defenders
will be itself forgotten. This is but a
small tribute to all of the veterans
whose names are forever etched in our
hearts. We are eternally grateful for
their service to this great nation.*

*All gave some, some gave all.
God Bless America*
